

the CounterSource Professional Labor Warranty

Granite countertops installation labor warranty period is one year from date of closing.

the CounterSource Granite Materials Limited Warranty

the CounterSource, inc. offers its residential and commercial customers a one-year limited warranty on all installed granite countertops.

This warranty covers failures caused by defects (inherent characteristics are not defects) of improper fabrication and/or improper installation, which may occur during the first year after the original installation of the product.

This warranty will not cover those failures that arise from any physical or chemical abuse, staining, improper maintenance, commercial applications or excessive heat, or from any settling occurring to the residence in which the product has been installed.

Due to the variation in veining and color, over which the CounterSource, inc. has no control, granite is sold subject to irregularities in color, surface, veining and texture.

The one-year installation warranty is available only to the owner of a single-family residence in which the granite is originally installed or, in the case of newly constructed single-family residence, to the first owner acquiring the residence from the builder thereof with the granite already installed.

The warranty does not, however, cover seam performance or any granite that has been removed or relocated from its original place of installation.

Specific Rights

the CounterSource, inc. obligation under the one-year warranty is limited solely to the repair of the failed product.

Such repair, however, shall not include the performance of any other repairs or modifications that may be necessary to achieve the actual repair or replacement of the failed product. Such as, for example any plumbing, electrical, tile or wall surfacing repairs or modifications -such other repairs and modifications shall be the responsibility of the customer.

Except to the extent expressly stated herein or otherwise required by applicable law, the CounterSource, inc. disclaims all warranties and representations, expressed or implied, statutory or otherwise, including, without limitation, direct, indirect, special, consequential or incidental damages, arising out of the use of, the inadequate use of, or delays in installation of or repairs made by others to, the surfacing products provided or to be provided by the CounterSource, inc.
